

Water Colour Painting Club

Palmers Green Art Group

© Graham Bray

Palmers Green Art Group started 20 years ago to help a group of amateur artists nurture and develop their artistic skills in an informal and friendly environment. The group has changed over the years as different people have come and gone. Mainly focussed on watercolour, members usually work on a suggested topic each week. We do not offer formal tuition but enjoy an atmosphere of creativity, encouragement and support from each other.

The group meets every Wednesday evening from 7.30-9.30pm in the Alexandra Room of the Ruth Winston Centre in Palmers Green. There is a sink for water and washing out brushes etc... for those working in water soluble media and we keep a supply of boards, water pots etc... and reference material for members to use.

There is a termly fee to cover the cost of hiring the room. This will vary from time to time according to the number of members in the group.

If you are interested in joining the group or would like more information, please call Graham Bray on 020 8363 9085 or text 07724 672447.
